AUTHOR INDEX

- À Campo JMLG**, see Nijman HLI
- Ackerman S**, see Hien D
- Ahlgrim-Delzell L**, see Dudley JR
- Ahmad L**, see Morse GA
- Ahmed M, Bayog F, Boisvert CM**, Computer-facilitated therapy for inpatients with schizophrenia, Oct 1334-1335
- Alexander JA, Lichtenstein R, D'Aunno TA, McCormick R, Muramatsu N, Ullman E**, Determinants of mental health providers' expectations of patients' improvement, May 671-677
- Alexander MJ**, see Haugland G
- Alferi SM**, see Malow RM
- Allen G**, see Tucker P
- Allertz WFF**, see Nijman HLI
- Ames D**, Book review, Handbook of mental health economics and health policy, volume 1: schizophrenia (Moscarelli M, Rupp A, Sartorius N, eds), Apr 547
- Amigone DK**, see Frazier RS
- Andersson K**, see Kjellin L
- Andreassen N**, see Ho BC
- Anfang SA**, Book review, The girl who died twice: every patient's nightmare: the Libby Zion case and the hidden hazards of hospitals (Robins N), Jan 116-117
- Anthony WA**, see Cohen MR
- Apfel RJ**, Book review, Sexual harassment in the workplace and academia: psychiatric issues (Shrier DK, ed), May 717-718
- Appelbaum KL**, Testifying in court: a guide for mental health professionals (Gardner RA), Mar 409-410
- Appelbaum KL, Fisher WH**, Judges' assumptions about the appropriateness of civil and forensic commitment, May 710-712
- Appelbaum PS**, Can the police assist in detaining persons for involuntary commitment? (law & psychiatry), Jan 17-18
- Appelbaum PS**, Confining sex offenders: the Supreme Court takes a dangerous path (law & psychiatry), Oct 1265-1267
- Appelbaum PS**, Informed consent to psychotherapy: recent developments (law & psychiatry), Apr 445-446
- Appelbaum PS**, Law officers' role in commitment (reply), Apr 543
- Appelbaum PS**, Psychiatric research and the incompetent subject (law & psychiatry), July 873-874,882
- Appelbaum PS**, see Grisso T
- Appleby L, Dyson V, Luchins DJ, Cohen LS**, The impact of substance use screening on a public psychiatric inpatient population, Oct 1311-1316
- Ascher-Svanum H, Lafuze JE, Barrickman PJ, Van Dusen C, Fompa-Loy J**, Educational needs of families of mentally ill adults, Aug 1072-1074
- Augustin L**, see Postolache T
- Austria AS**, Book review, The psychiatric team and the social definition of schizophrenia: an anthropological study of person and illness (Barrett RJ), Apr 545-546
- Avery D**, see Russo J
- Averyt JM**, see Culhane DP
- Bachman DL**, see Mintzer JE
- Bachmann KM, Moggi F, Hirsbrunner HP, Donati R, Brodbeck J**, An integrated treatment program for dually diagnosed patients (rehab rounds), Mar 314-316
- Bachrach LL**, Book reviews, Integrated mental health services: modern community psychiatry (Breakey WR, ed); and Innovating in community mental health: international perspectives (Schulz R, Greenley JR, eds), Nov 1476-1477
- Bachrach LL**, "Breaking down the barriers": commentary on a conference theme (the chronic patient), Mar 281-282,294
- Baguley I**, see Lancashire S
- Bai YM, Liu CY, Lin CC**, Risk factors for parasuicide among psychiatric inpatients, Sept 1201-1203
- Baisden K**, see Humphreys K
- Baker JG**, A spreadsheet method for calculating maximum caseload and intake capacity for CMHC psychiatrists, Dec 1578-1581
- Baker RW**, see Hogarty GE
- Bakk D**, Scientology and APA (letter), Dec 1593
- Balkoski V**, see Bettigole E
- Barrickman PJ**, see Ascher-Svanum H
- Battaglia J**, see Claassen CA
- Bauer MS, McBride L, Shea N, Gavin C, Holden F, Kendall S**, Impact of an easy-access VA clinic-based program for patients with bipolar disorder, Apr 491-496
- Bayer T**, see Coverdale JH
- Bayog F**, see Ahmed M
- Bean DW**, Book review, Mental health in remote rural developing areas: concepts and cases (Committee on Therapeutic Care of the Group for the Advancement of Psychiatry), Jan 115-116
- Beasley CM Jr**, see Dellva MA
- Bebout RR, Drake RE, Xie H, McHugo CJ, Harris M**, Housing status among formerly homeless dually diagnosed adults, July 936-941
- Becker DR**, see Bond GR
- Bell CC**, Book review, Psychological interventions and cultural diversity (Aponte JF, Rivers RY, Wohl J, eds), Feb 248-249
- Bell CC**, Doesn't anyone remember the dangers of lead? (taking issue), Mar 273
- Beltran R**, see Silove D
- Benjamin S**, Book review, Akathisia and restless legs (Sachdev P), Apr 550-551
- Berenbaum PA**, see Neumann PJ
- Bernstein JG**, Book review, Current psychotherapeutic drugs, first edition (Klein DE, Rowland LP, eds), Nov 1479
- Berzoff J**, Book review, Voices of feminist therapy (Williams EF, ed), Oct 1346-1347
- Bettigole E, Kovaszynay B, Chung M, Farina J, Balkoski V**, Hunger and mental illness (letter), Apr 543-544
- Bickman L, Summerfelt WT, Noser K**, Comparative outcomes of emotionally disturbed children and adolescents in a system of services and usual care, Dec 1543-1548
- Binder RL**, see McNiel DE
- Black AE**, Book reviews, Posttraumatic nightmares: psychodynamic explorations (Lansky MR, Bley CR); and Trauma and the therapist: countertransference and vicarious traumatization in psychotherapy with incest survivors (Pearlman LA, Saakvitne KW), May 719
- Blackmon LA, Kaak HO, Ranseen J**, Consumer satisfaction with telemedicine child psychiatry consultation in rural Kentucky, Nov 1464-1466
- Blamphin J**, Scientology and APA (reply), Dec 1593-1594
- Blasinsky M**, see Randolph F
- Blaszczynski A**, see Silove D
- Boisvert CM**, see Ahmed M
- Bollini P**, see Tibaldi G
- Bond GR, Drake RE, Mueser KT, Becker DR**, An update on supported employment for people with severe mental illness, Mar 335-346
- Boronow JJ**, see Dickerson FB
- Borson S, Doane K**, The impact of OBRA-

- 87 on psychotropic drug prescribing in skilled nursing facilities, Oct 1289-1296
- Bourgeois JA, Servis M, Leyba C, Walker DM**, Collaboration between the Air Force, VA, and a university psychiatry department on an inpatient unit, June 838-839
- Bouricius JK**, Book review, The skipping stone: ripple effects of mental illness on the family (Wasow M), Mar 411-412
- Boyer D**, see Kannenberg K
- Brandt FT, Norwood AE, Ursano RJ, Wain H, Jaccard JT, Fullerton CS, Wright K**, Psychiatric morbidity in medical and surgical patients evacuated from the Persian Gulf War, Jan 102-104
- Brandzel M**, Book review, Untitled (Arbus D), Feb 247-248
- Bredle DL**, see Heiselman DE
- Breslin DL**, Book review, Traumatic stress: the effects of overwhelming experience on mind, body, and society (Van der Kolk BA, McFarlane AC, Weisaeth L, eds), Feb 250-251
- Bridges NA**, Book review, Compassion: the core value that animates psychotherapy (Lewin RA), Jan 109
- Briggs MJ**, see Wiseman EJ
- Briscoe M**, Obstacles to the use of computers in British mental health services (clinical computing), Mar 329-330
- Brodbeck J**, see Bachmann KM
- Brooker C**, see Lancashire S
- Brown LK, Reynolds LA, Lourie KJ**, A pilot HIV prevention program for adolescents in a psychiatric hospital, Apr 531-533
- Bryson SA**, Book reviews, Becoming gay: the journey to self-acceptance (Isay RA); Beyond the lavender lexicon: authenticity, imagination, and appropriation in lesbian and gay languages (Leap WL, ed); and Queer by choice: lesbians, gay men, and the politics of identity (Whisman V), July 958-960
- Buck JA**, Utilization of Medicaid mental health services by nondisabled children and adolescents, Jan 65-70
- Buckley PE, Hyde JL**, State hospitals' responses to the sexual behavior of psychiatric inpatients, Mar 398-399
- Budd D**, Taking issue with taking issue: "psychiatric survivors" reconsidered (letter), May 603
- Budman SH**, Book reviews, Better, deeper, and more enduring brief therapy: the rational emotive behavior therapy approach (Ellis A); and Brief rational emotive behaviour therapy (Dryden W), Oct 1341-1342
- Buesching DP**, see Croghan TW
- Bunn PD**, see Heiselman DE
- Burns T, Kendrick T**, Care of long-term mentally ill patients by British general practitioners, Dec 1586-1588
- Burroughs D**, see Kobak KA
- Butterworth CA**, see Lancashire S
- Byrne S, Rothschild AJ**, Psychiatrists' responses to failure of maintenance therapy with antidepressants, June 835-837
- Cabaj RP**, Book review, Queer science: the use and abuse of research into homosexuality (LeVay S), July 961-962
- Cadore RJ**, see Rohrer JE
- Cain KA**, see Crenshaw WB
- Calhoun ML**, see Dudley JR
- Callies AL**, see Popkin MK
- Calloway M**, see Morrissey J
- Calsyn RJ**, see Klinkenberg WD
- Calsyn RJ**, see Morse GA
- Candefjord IL**, see Kjellin L
- Candilis PJ**, Book review, Psychiatric practice under fire: the influence of government, the media, and special interests on somatic therapies (Schwartz HI, ed), Apr 552-553
- Candilis PJ**, Book review, The rules of insanity: moral responsibility and the mentally ill offender (Elliott C), Mar 408
- Carey K**, Clinical rating scales for substance abuse (reply), Jan 106
- Carmel H**, Book review, Management of violence and aggression in health care (Kidd B, Stark C, eds), Feb 255
- Carmody TJ**, see Claassen CA
- Carswell C**, see Rohrer JE
- Casanova M**, Book review, Schizophrenia and related syndromes (McKenna PJ), Apr 547-548
- Cassar JR**, see Longhurst JG
- Cauce AM**, see Srebnik D
- Caverly S**, see Srebnik D
- Chamberlin J**, see Mahler J
- Chamberlin J**, see Rogers ES
- Chandler D**, Inaccurate comparison (reply), Apr 544
- Chapman J**, The social safety net in recovery from psychosis: a therapist's story (personal accounts), Oct 1257-1258
- Chaudry R**, see Kennedy CW
- Chervenak FA**, see Coverdale JH
- Chester B**, see Robin RW
- Chhibber S**, Telemedicine in remote rural areas (innovative ideas), Dec 1644
- Chiko B**, Taking issue with taking issue: "psychiatric survivors" reconsidered (letter), May 604
- Chodoff P**, Book review, The anatomy of prejudices (Young-Bruehl E), Oct 1339-1340
- Chow J**, see Milin R
- Christensen RC**, Psychiatrists as gatekeepers: a matter of perspective (taking issue), May 583
- Chung M**, see Bettigole E
- Cinelli P**, see Coker M
- Claassen CA, Gilfillan S, Orsulak P, Carmody TJ, Battaglia J, Rush AJ**, Substance use among patients with a psychotic disorder in a psychiatric emergency room, Mar 353-358. Also see Correction (errors in table), Dec 1570
- Clarke GN**, see Herinckx HA
- Clarke M**, see Meadows G
- Clemens NA**, Book review, What works for whom? A critical review of psychotherapy research (Roth A, Fonagy P), Dec 1596-1597
- Clevenger TD**, Where do I fit in? (personal accounts), Aug 1007-1008
- Cohen CI**, The impact of welfare reform as perceived by users of mental health services in New York City (open forum), Dec 1589-1591
- Cohen CI**, The political and moral economy of mental health (economic grand rounds), June 768-770, 774
- Cohen LS**, see Appleby L
- Cohen MR, Anthony WA, Farkas MD**, Assessing and developing readiness for psychiatric rehabilitation (rehab rounds), May 644-646
- Cohen N, Gantt AB, Sainz A**, Influences on fit between psychiatric patients' psychosocial needs and their hospital discharge plan, Apr 518-523
- Cohen NL**, Lessons learned from providing disaster counseling after TWA flight 800 (personal accounts), Apr 461-462
- Coker M, Sharp J, Powell H, Cinelli P, French M, Colley-Ogden T**, Implementation of total quality management after reconfiguration of services on a general hospital unit, Feb 231-236
- Colenda C**, see Mintzer JE

SUBJECT INDEX

In general, subject headings are based on the National Library of Medicine's Medical Subject Headings (MeSH). A few additional headings are used for greater specificity in the psychiatric field.

Academic medical centers

Academic psychiatry and managed care (taking issue), Aug 985

Academic psychiatry and managed care: a case study, Aug 1019-1026

Access to health care

Barriers to effective psychiatric emergency services for elderly persons (practical geriatrics), Mar 321-325
"Breaking down the barriers": commentary on a conference theme (the chronic patient), Mar 281-282,294
Care of long-term mentally ill patients by British general practitioners, Dec 1586-1588
Client and site characteristics as barriers to service use by homeless persons with serious mental illness, Mar 387-390
A county survey of mental health services in drug treatment programs, July 950-952
Creating integrated service systems for homeless persons with mental illness: the ACCESS program, Mar 369-373
Disruptive behavior and the determinants of costs in the public mental health system, Dec 1562-1566
Impact of an easy-access VA clinic-based program for patients with bipolar disorder, Apr 491-496
Issues in the psychiatric care of Hispanics (open forum), Apr 539-540
Lessons for US managed care from the British National Health Service, II: setting priorities (managed care), Apr 469-470,482
Management for quality: continuous quality improvement to increase access to outpatient mental health services, June 821-825
Psychiatrists as gatekeepers: a matter of perspective (taking issue), May 583
Public-sector managed care and medical necessity (taking issue), Apr 429
Service system performance and integration: a baseline profile of the ACCESS demonstration sites, Mar 374-380
Setting behavioral health priorities: good news and crucial lessons from the Oregon health plan (managed care), July 883-884,889
A 30-year progress report on a VA satellite psychiatric clinic program, Dec 1582-1583

Accidental falls

Eliminating the use of restraints among elderly patients who fall frequently, Nov 1455-1456

Accreditation

JCAHO mental health care network accreditation as a performance improvement project, Mar 359-363

Acquired immune deficiency syndrome (AIDS)

Consensus panel endorses needle exchange programs to halt HIV, Apr 564
Highlights of the 1996 Institute on Psychiatric Services (special report), Jan 51-58
Incidence of HIV infection among pa-

tients with new-onset psychosis, Feb 237-238

Number of new AIDS cases in US declines for first time since AIDS/HIV epidemic began, Nov 1481

A pilot HIV prevention program for adolescents in a psychiatric hospital, Apr 531-533

Psychosocial predictors of HIV risk among adolescent offenders who abuse drugs (alcohol & drug abuse), Feb 185-187

Reduction in risk behavior among adults with severe mental illness who learned to advocate for HIV prevention, Oct 1283-1288

Substance use during sex and unsafe sexual behaviors among acute psychiatric inpatients, Aug 1070-1072. Also see HIV risk behaviors (letter), Dec 1592-1593

Adolescents. See Child psychiatry, adolescent psychiatry; and Children, adolescents

Affective disorders

Assessment of the quality of life of patients with major depression, Feb 224-230

Association between mood-stabilizing medication and mental health resource use in the management of acute mania, Aug 1037-1041

Clinical implications of respect for autonomy in the psychiatric treatment of pregnant patients with depression, Feb 209-212

Computerized screening for psychiatric disorders in an outpatient community mental health clinic, Aug 1048-1057

Consensus panel examines reasons why most patients with depression get inadequate care, Mar 415

Effect of antidepressant therapy on health care utilization and costs in primary care, Nov 1420-1426

Effect of primary care treatment of depression on service use by patients with high medical expenditures, Jan 59-64

Impact of an easy-access VA clinic-based program for patients with bipolar disorder, Apr 491-496

Investigating the role of lipids in mood, aggression, and schizophrenia (psychology update), July 875-876,882

Measurement of depression and anxiety for hospitalized depressed patients, May 705-707

Psychiatrists' responses to failure of maintenance therapy with antidepressants, June 835-837

Psychoeducational workshops for elderly patients with recurrent major depression and their families, Jan 76-81

Travel distance to outpatient treatment for depression (datapoints), Aug 1005

Use of electroconvulsive therapy in the Medicare population between 1987 and 1992, Dec 1537-1542

Using nature to treat winter depression (innovative ideas), Dec 1644

Where do I fit in? (personal accounts), Aug 1007-1008

Aftercare

Assertive community treatment versus usual care in engaging and retaining clients with severe mental illness, Oct 1297-1306

The impact of substance use screening on a public psychiatric inpatient population, Oct 1311-1316

Influences on fit between psychiatric patients' psychosocial needs and their hospital discharge plan, Apr 518-523

Aggression. See Violence, aggression

Alcohol abuse, treatment. Also see Comorbidity; and Substance abuse, treatment

Movement disorders and substance abuse (alcohol & drug abuse), May 634-636

Outcomes of patients in a VA ambulatory detoxification program, Feb 200-203

Alzheimer's disease

APA releases practice guideline on treatment of Alzheimer's disease and late-life dementias, May 723-724

Methods of cost-effectiveness analysis in the assessment of new drugs for Alzheimer's disease, Nov 1440-1444

Need for integrated medical and psychiatric care emphasized in consensus statement on Alzheimer's, Dec 1606

American Psychiatric Association. Also see American Psychiatric Association Achievement Awards

APA presents awards to more than 50 individuals, advocacy groups at annual meeting in San Diego, June 851-853

APA releases practice guideline on treatment of Alzheimer's disease and late-life dementias, May 723-724

Herbert Sacks succeeds Harold Eist as APA president; Rodrigo Munoz is president-elect, May 723

Latest APA practice guideline focuses on treatment of patients with schizophrenia, Apr 562

Melvin Sabshin reflects on two decades at the helm of the APA, Sept 1164-1167

Operating principles for managed care, substance abuse approved by APA, Dec 1606-1607

Scientology and APA (letter, reply), Dec 1593-1594

What readers think about Psychiatric Services (special report), Oct 1259

American Psychiatric Association Achievement Awards

Gold Award: Linking mentally ill persons with services through crisis intervention, mobile outreach, and community education: Project Respond: Mental Health Services West, Portland, Oregon, Nov 1450-1453

The 1997 Achievement Award winners, Nov 1450

Significant Achievement Award: Eliminating the use of restraints among elderly patients who fall frequently: the Soft En-

vironment Program, Walter P Reuther Psychiatric Hospital, Westland, Michigan, Nov 1455-1456

Significant Achievement Award: Helping at-risk rural children and their communities: Project BASIC (Better Attitudes and Skills in Children), Tennessee Department of Mental Health and Mental Retardation, Nashville, Nov 1456-1457

Significant Achievement Award: Using continuous quality improvement to reduce length of stay: Medication Compliance Improvement Program, Riverside County Inpatient Mental Health Facility, Riverside, California, Nov 1454-1455

Anxiety disorders

Measurement of depression and anxiety for hospitalized depressed patients, May 705-707

The realities of clonazepam discontinuation (psychopharmacology), July 881-882

Use of health care services by persons with panic symptoms, Aug 1027-1032

Assaults. See Violence, aggression

Attention deficit disorder

Assessment of symptoms of attention-deficit hyperactivity disorder in adults with substance use disorders (alcohol & drug abuse), Nov 1378-1380,1395

Attention-deficit hyperactivity disorder among homeless veterans, Oct 1331-1333

Where do I fit in? (personal accounts), Aug 1007-1008

Attitude

Clinical utility and patient acceptance of the Computerized Composite International Diagnostic Interview, June 815-820

Ethnic and racial differences in perceptions of dangerousness of persons with mental illness, Oct 1328-1330

Judges' assumptions about the appropriateness of civil and forensic commitment, May 710-712

Psychiatric patients' attitudes about medication and factors affecting noncompliance, Jan 82-86

Attitude of health personnel

Determinants of mental health providers' expectations of patients' improvement, May 671-677

Obstacles to the use of computers in British mental health services (clinical computing), Mar 329-330

Staff training to improve implementation and impact of behavioral rehabilitation programs, Oct 1336-1338

Behavior therapy

Monetary reinforcement of abstinence from cocaine among mentally ill patients with cocaine dependence, June 807-810

Multimodal cognitive-behavior therapy for

borderline personality disorder with self-injurious behavior (rehab rounds), Sept 1131-1133

Staff training to improve implementation and impact of behavioral rehabilitation programs, Oct 1336-1338

Book reviews. See Reviews, books

Borderline personality disorder

Multimodal cognitive-behavior therapy for borderline personality disorder with self-injurious behavior (rehab rounds), Sept 1131-1133

Burnout, professional

Reducing staff burnout (innovative ideas), May 734

Business information for readers

Jan 8, Feb 144, Mar 274, Apr 430, May 584, June 740, July 868, Aug 986, Sept 1108, Oct 1234, Nov 1368, Dec 1500

Calendar

Jan 16,42, Feb 154,182, Mar 296,318, Apr 442,476, May 608,642, June 752,786, July 872,894, Aug 998,1006, Sept 1120,1218, Oct 1248,1252, Nov 1376, 1392, Dec 1502,1528

Caregivers. See Family

Case management, community based

Assertive community treatment versus usual care in engaging and retaining clients with severe mental illness, Oct 1297-1306

Effects of diagnosis, demographic characteristics, and case management on re-hospitalization, May 682-688

An experimental comparison of three types of case management for homeless mentally ill persons, Apr 497-503

A flawed study? (letter, reply), Mar 401-402

Homeless mentally ill clients' and providers' perceptions of service needs and clients' use of services, Mar 381-386

Inaccurate comparison (letter, reply), Apr 544

Case management, insurance or third party.

See Managed care programs

CD-ROM

The CD-ROM as a multipurpose clinical and management tool (best practices), Aug 1014-1016

Child psychiatry, adolescent psychiatry

Children are left out (open forum), July 953-954

Comparative outcomes of emotionally disturbed children and adolescents in a system of services and usual care, Dec 1543-1548

Consumer satisfaction with telemedicine child psychiatry consultation in rural

Kentucky, Nov 1464-1466

False psychiatric symptoms in children (letter), Mar 403

Helping at-risk rural children and their communities, Nov 1456-1457

Occupational therapy evaluation and intervention in an employment program for homeless youths (occupational therapy update), May 631-633

A pilot HIV prevention program for adolescents in a psychiatric hospital, Apr 531-533

Psychiatric findings among child psychiatric inpatients grouped by public and private payment, May 689-693

Psychosocial predictors of HIV risk among adolescent offenders who abuse drugs (alcohol & drug abuse), Feb 185-187

Research on activity levels and rhythms in childhood psychiatric disorders (nursing update), Jan 43-44

Tougher eligibility rules will end SSI benefits for thousands of children with disabilities, Apr 564,566

Utilization of Medicaid mental health services by nondisabled children and adolescents, Jan 65-70

Children, adolescents. Also see Child psychiatry, adolescent psychiatry

National high school survey finds resurgence in marijuana use and increased tobacco use, Feb 257

National household survey finds slight decline in illicit drug use by youths 12 to 17 years old, Oct 1350-1351

Chronic patients. Also see Homeless persons

Absence of parkinsonism among patients in long-term neuroleptic therapy who abuse cocaine, Jan 95-97

Assertive community treatment versus usual care in engaging and retaining clients with severe mental illness, Oct 1297-1306

Assessing clinical outcomes: the community functioning of persons with serious mental illness, July 897-902

Attention-deficit hyperactivity disorder among homeless veterans, Oct 1331-1333

"Breaking down the barriers": commentary on a conference theme (the chronic patient), Mar 281-282,294

Care of long-term mentally ill patients by British general practitioners, Dec 1586-1588

The CD-ROM as a multipurpose clinical and management tool (best practices), Aug 1014-1016

Clinical characteristics and health resource use of men and women veterans with serious mental illness, Nov 1461-1463

Comprehensive case management in the private sector for patients with severe mental illness, July 910-914

Consensus panel examines reasons why most patients with depression get inadequate care, Mar 415

A consumer satisfaction survey of people with mental retardation and mental ill-

ness, Aug 1075-1077

Cost savings and rehabilitation: compatible goals in for-profit care for persons with serious mental illness? (managed care), Oct 1239-1271

The denial of severe mental illness (taking issue), Nov 1367

Determinants of mental health providers' expectations of patients' improvement, May 671-677

Effects of training in psychosocial interventions for community psychiatric nurses in England (rehab rounds), Jan 39-41

Family planning outcomes of male chronically ill psychiatric outpatients, Sept 1199-1200

High utilization of inpatient psychiatric services by older adults (best practices), Feb 172-174, 176

Hunger and mental illness (letter), Apr 543-544

"It's a brain disease" (personal accounts), June 773-774

 Managing the clinical-administrative interface: recommendations for psychiatrist-executives (economic grand rounds), Apr 457-458
 The psychiatrist's role as medical director: task distributions and job satisfaction, July 915-920

Outcome assessment, treatment outcome

Assessing clinical outcomes: the community functioning of persons with serious mental illness, July 897-902
 Comparative outcomes of emotionally disturbed children and adolescents in a system of services and usual care, Dec 1543-1548
 Development of outcome indicators for monitoring the quality of public mental health care, July 903-909
 Effectiveness of treatment elements in a residential-work therapy program for veterans with severe substance abuse, July 928-935

Efficacy versus effectiveness (taking issue), Sept 1107
 Implementing outcomes management systems in mental health settings, Mar 364-368
 Outcomes of inpatients treated on a VA psychiatric unit and a substance abuse treatment unit, May 699-704
 Principles for assessment of patient outcomes in mental health care, Aug 1033-1036
 Psychiatric status, quality of life, and level of care as predictors of outcomes of acute inpatient treatment, Nov 1427-1434
 Use of the Brief Psychiatric Rating Scale to measure success in a psychosocial day program, Sept 1195-1197
 We still count beds (taking issue), Oct 1233

Outpatient treatment

Computerized screening for psychiatric disorders in an outpatient community mental health clinic, Aug 1048-1057
 Determinants of mental health providers' expectations of patients' improvement, May 671-677
 Dual diagnosis subtypes in urban substance abuse and mental health clinics, Aug 1058-1063
 Early-onset substance abuse and community violence by outpatients with chronic mental illness, Sept 1181-1185
 Family planning outcomes of male chronically ill psychiatric outpatients, Sept 1199-1200
 Impact of an easy-access VA clinic-based program for patients with bipolar disorder, Apr 491-496
 An instrument to evaluate the process of psychiatric care in ambulatory settings, Apr 524-527
 Lack of insight among outpatients with schizophrenia, Feb 195-199
 Management for quality: continuous quality improvement to increase access to outpatient mental health services, June 821-825
 Outcomes of patients in a VA ambulatory detoxification program, Feb 200-203
 Sexual abuse history of women treated in a psychiatric outpatient clinic, Apr 534-536
 A spreadsheet method for calculating maximum caseload and intake capacity for CMHC psychiatrists, Dec 1578-1581
 A 30-year progress report on a VA satellite psychiatric clinic program, Dec 1582-1583
 Travel distance to outpatient treatment for depression (datapoints), Aug 1005
 Travel distance to subspecialty and general mental health services (datapoints), June 775
 Utilization of neuroleptic drugs in Italian mental health services: a survey in Piedmont, Feb 213-217

Panic

Use of health care services by persons with panic symptoms, Aug 1027-1032

Partial hospitalization

A combined inpatient and partial hospital program, Feb 242-244. Also see Combined treatment (letter), July 957
 Effectiveness of a continuum of care using brief and partial hospitalization for agitated dementia patients, Nov 1435-1439
 A medication education group (innovative ideas), May 734
 Prevalence of dissociative disorders in an acute care day hospital population, Feb 244-246
 Shorter stays, higher per diem charges found in partial hospital, ambulatory behavioral programs, Feb 258
 Tuberculosis infection among people with severe mental illness, June 833-835
 Use of the Brief Psychiatric Rating Scale to measure success in a psychosocial day program, Sept 1195-1197

Pastoral care

Collaboration between hospital social work and pastoral care to help families cope with serious illness and grief, Dec 1549-1552

Patient admission, readmission

Effects of diagnosis, demographic characteristics, and case management on re-hospitalization, May 682-688
 Instability before discharge and previous psychiatric admissions as predictors of early readmission, Dec 1584-1586
 NAMI report card on public-sector managed care gives failing grades to managed care companies, Nov 1480-1481
 NAPHS survey shows big increase in non-hospital admissions in 1996; inpatient admissions also grow, Oct 1351-1352
 Recidivism in Slovenia (letter), July 955-956
 Reform in Georgia (letter, reply), Mar 400-401
 Relevance of routine admission electrocardiograms for psychiatric patients, Oct 1323-1327
 Treatment of VA inpatients with diagnoses of substance abuse (datapoints), Feb 171
 Using signs of decompensation as triggers for early intervention to reduce hospitalization (best practices), May 621-623

Patient advocacy

APA presents awards to more than 50 individuals, advocacy groups at annual meeting in San Diego, June 851-853
 DC mental health agency in receivership after 22 years in court, Sept 1215-1216
 Federal oversight role declines in institutions for retarded persons, Apr 566
 Massachusetts mental health advocates cite problems in Medicaid managed care program, Sept 1215
 NAMI report card on public-sector managed care gives failing grades to managed care companies, Nov 1480-1481
 NAMI report criticizes vocational rehabilitation services for failing to help severely mentally ill, Mar 414-415

Voting by Israeli patients (letter), Aug 1081

Patient compliance

Improving patients' drug compliance (letter), Nov 1468

Influence of retroactive disability payments on recipients' compliance with substance abuse treatment, June 796-799

Psychiatric patients' attitudes about medication and factors affecting noncompliance, Jan 82-86

Using continuous quality improvement to reduce length of stay, Nov 1454-1455

Patient discharge

General hospital discharges of patients with mental and physical disorders (data-points), Mar 311

Influence of retroactive disability payments on recipients' compliance with substance abuse treatment, June 796-799

Influences on fit between psychiatric patients' psychosocial needs and their hospital discharge plan, Apr 518-523

A prospective study of violence by psychiatric patients after hospital discharge, May 678-681

Patient education

A medication education group (innovative ideas), May 734

Psychoeducational workshops for elderly patients with recurrent major depression and their families, Jan 76-81

Patient readmission. See Patient admission, readmission

People & places

Scientology and APA (letter, reply), Dec 1593-1594

Standard olanzapine versus placebo and ineffective-dose olanzapine in the maintenance treatment of schizophrenia, Dec 1571-1577

Seclusion

An updated national survey on seclusion and restraint, Mar 395-397

Self-help groups

Clinicians' referral and matching of substance abuse patients to self-help groups after treatment, Nov 1445-1449

A consumer-constructed scale to measure empowerment among users of mental health services, Aug 1042-1047

Self-injurious behavior

Multimodal cognitive-behavior therapy for borderline personality disorder with self-injurious behavior (rehab rounds), Sept 1131-1133

Self-inflicted oral injury (letter), Mar 402-403

Semantics

Psychiatric survivors and nonsurvivors (taking issue), Feb 143. Also see Taking issue with taking issue: "psychiatric survivors" reconsidered (letters, reply), May 601-605, and The wrong issue (letter), Aug 1082

Substance abuse versus substance dependence (taking issue), July 867

Service delivery systems

"Breaking down the barriers": commentary on a conference theme (the chronic patient), Mar 281-282,294

Client and site characteristics as barriers to service use by homeless persons with serious mental illness, Mar 387-390

Comparative outcomes of emotionally disturbed children and adolescents in a system of services and usual care, Dec 1543-1548

Creating integrated service systems for homeless persons with mental illness: the ACCESS program, Mar 369-373

JCAHO mental health care network accreditation as a performance improvement project, Mar 359-363

Service system performance and integration: a baseline profile of the ACCESS demonstration sites, Mar 374-380

Sex behavior

Family planning outcomes of male chronically ill psychiatric outpatients, Sept 1199-1200

Reduction in risk behavior among adults with severe mental illness who learned to advocate for HIV prevention, Oct 1283-1288

State hospitals' responses to the sexual behavior of psychiatric inpatients, Mar 398-399

Substance use during sex and unsafe sexual behaviors among acute psychiatric inpatients, Aug 1070-1072. Also see HIV risk behaviors (letter), Dec 1592-1593

Sex factors

Book reviews: special section on gender issues, July 958-967

Clinical characteristics and health resource use of men and women veterans with serious mental illness, Nov 1461-1463

A survey on issues in the lives of women with severe mental illness, Oct 1273-1282

Underdiagnosis of PTSD and substance use disorders in hospitalized female veterans, Mar 393-395

Utilization of mental health services by women in a male-dominated environment: the VA experience, Nov 1408-1414

Sex offenses

Confining sex offenders: the Supreme Court takes a dangerous path (law & psychiatry), Oct 1265-1267

US Supreme Court upholds Kansas law allowing indefinite civil commitment of sexual offenders, Aug 1093-1094

Sexual abuse

Clinically based risk management principles for recovered memory cases, Nov 1403-1407

Sexual abuse history of women treated in a psychiatric outpatient clinic, Apr 534-536

Smoking

- Cigarette smoking among patients with mental retardation and mental illness, Jan 100-102. Also see Smoking and response to psychotropic drugs (letter), July 955
- National high school survey finds resurgence in marijuana use and increased tobacco use, Feb 257
- Smoking and response to psychotropic drugs (letter), July 955

Social Security

- Also see Medicaid; and Medicare
- Disability payments and chemical dependence: conflicting values and uncertain effects, June 789-791
- Impact of representative payees on substance use by homeless persons with serious mental illness, June 800-806
